

#Inventingthefuture

# Bachelor of Science in Hospitality and Tourism Management

## About the Programme

The programme equips students with the knowledge and skills needed to thrive in the global hospitality and tourism industries. The programme blends core business principles with specialised training in areas such as hotel and resort operations, travel and tour management, event planning, customer service, and sustainable tourism development. With a strong focus on hands-on learning, innovation, and industry engagement, graduates are prepared to take on diverse roles in hotels, airlines, travel agencies, tourism boards, and related sectors both locally and internationally.

## Entry Requirements

KCSE or equivalent certificate with a minimum of C+ (plus), and a minimum of a C (plain) in Biology, Chemistry/Physics/Mathematics, English/Kiswahili/Foreign Language or a Diploma from a recognised institution.
